- Sinusitis
- Earache
- Strep throat
- Sore throat

Testimonials

"It makes me feel good to be able to offer peace of mind for my employees regarding their healthcare. My employees are able to visit a provider when it's convenient for them and their work schedules."

— Jim K., business owner

"My employees see great value in this membership. They can see a provider right away and return to work faster ... and never worry about how they are going to pay for it."

— Kathy C., business owner

Connect with us!

- Save on insurance utilization costs.
- Employees can return to work sooner, decreasing absenteeism.
- Pairs well with high-deductible insurance plans.
- Compelling recruitment and retention tool.
- A great option if you offer no health insurance coverage.

Two easy ways to seek healthcare. Plans starting as low as \$1 per day.

Telehealth

- No travel, no waiting and no missed work. Employees can visit with a doctor 24/7/365.
- Prescriptions are sent electronically to their local pharmacy.

On-site visits

- Convenient, nationwide, approved clinics ready to serve you. See a list of providers at convenientcareplus.com/provider-locations.
- Most locations have extended evening and weekend hours with same-day visits.

Most programs include membership in Health Advocate™ at no additional cost!

- Personal Health Advocates help employees and their families navigate healthcare and insurance-related issues 24/7.
 - Find specialists.
 - Clarify insurance coverage.
 - Work on claims denials.
 - Negotiate medical bills.
- Online Wellness Workshops and Health Risk Assessments.

*The average family of four spends
\$3,600 in out-of-pocket medical expenses annually,
 according to the Milliman Medical Index*

Condition	Emergency Room	Urgent Care	Convenient Care Plus
Acute Bronchitis	\$595	\$120	\$0*
Sinusitis	\$617	\$160	\$0*
Strep throat	\$531	\$190	\$0*
Upper respiratory infection	\$486	\$155	\$0*

*With Convenient Care Plus Level 1 Plan

Convenient Care Plus is not health insurance.
